A Special Pull Out Section of Accessing Access *Access Celebrates Excellent Service*

Drs. Pariksith Singh and Maria Scunziano-Singh, founders of Access Health Care Physicians, LLC, hosted the annual ACES (Access Celebrates Excellent Service) event, a delightful awards banquet to show their sincere appreciation for the entire Access team. It was the 6th annual event on the West Coast and was held December 9, 2016 at the Palace Grand in Spring Hill. Our East Coast offices celebrated their 5th annual event on December 17, 2016 at Creative Catering in Port St. Lucie.

The West Coast celebration began with everyone mingling, sampling delicious hors d'oeuvres and browsing tables filled with raffle prizes while music and a slideshow of team member photos taken throughout the year were played. Prior to dinner, our Training/Education department played a very well-made, entertaining video covering the many different departments within Access. As dinner was being served, Dr. Singh presented an inspiring talk on the growth, success and future plans for Access. Dr. Scunziano followed with an insightful talk on women in the healthcare industry, and later in the evening elaborated and gave praise to our women practitioners and executives at Access, as well as to all of the women who have contributed to the success and growth of Access. Juan Triana, our Chief Compliance Officer, then led the ACES 2016 Awards Presentation announcing the Finalists and Winners in fifteen categories. Winners received a trophy, award certificate and a certificate good for eight hours of paid time off.

The evening finished with a boisterous raffle drawing with many excited winners walking away with prizes provided by several generous local merchants. Some of the raffle prizes included a large variety of gift baskets, gift cards to Chili's, Old Navy, Outback, Bonefish Grill, Barbie Cue, Greek City, Guido's Pizza, Groupon, Home Depot, Breakfast Station, Denny's, Perkins, hair, tanning and nail salons, shoe repair, Adome Bella Salon, Pep Boys, Gator Nutrition, Cortez Drugs, Murphy's Market, LooseEndz, E Sushi, Karma, Sir Speedy, Pampered Chef, Spring Hill 8 Cinemas, Paddling Adventures and theater tickets to Stage West Community Playhouse. Some of the top prizes were an Apple iPod Shuffle, a Roku streaming stick, a Parrot mini-drone, a Stanley FatMax Jumpstart system, a gigantic stuffed lion, several \$100 American Express giftcards, FitBits, a Bose speaker, an Action Camera, Powerbeats2 headphones, tickets to Sea World/Busch Gardens and several coveted certificates good for four hours of paid time off.

The West Coast ACES had the largest turnout yet with 362 Access Employees in attendance! We hope everyone had a wonderful time and we are pleased to share some pictures and highlights from these events with our patients, families, friends and community.

Congratulations to Cheryl Quattro who won this year's grand prize – a 40" Samsung Smart TV!

A Message To Access Employees

From Dr. Pariksith Singh and Dr. Maria Scunziano-Singh

Greetings to all and best wishes for a peaceful holiday.

Welcome to an evening to celebrate excellence...

Here we go everyone! The Access "Ace-Ship" is on its course to fulfill a mission that is all about making a difference in the lives of so many. A special place is reserved for any who come aboard the Ace-Ship & success of this journey is dependent on the input of each crew member. As the late but giant historical figure, Golda Meir, once said, "Make the most of yourself by fanning the tiny, inner sparks of possibility into the flames of achievement". Tonight we celebrate individuals who possess a special offering to the cause of a healthier and happier world. Welcome all our champions aboard the Ace-Ship!

Let us be reminded that excellence starts with our individual states of health and happiness. To really be an ace in healthcare (and in life) takes conscious efforts and conscious processes. While we have technology moving at warp speed and certainly as part of this great journey, we cannot lose sight of protecting & helping each other through it all. While systems can falter and even collapse aboard the ace ship, human strength & perseverance will hold it up. Success in all the processes that we engage in will take minds & bodies that are themselves aware, motivated & driven, dedicated & passionate. Also, selflessness & willingness to both learn & to fail are part of this. Those who know this will move on these principles without hesitation or complaint regardless of the difficulty factor or the challenge. Yes, the best outcome is the goal and the seeker of this is the one who works for the benefit of all- patients, co-workers and colleagues alike.

While it may not always be a 'best outcome', all of us will need to constantly support each other via continuous unbroken communication. Let us stay the course & understand that what we say & decide will impact not one but everyone.

Today we truly honor & thank each one of you and, as part of the Access tradition, special recognition is being made to those who have been voted by their peers and/or supervisors as outstanding-our aces. You who have made that extra difference should know that it has not gone unnoticed. So, be prepared for a little more. You certainly have made the ace ship a happier place for its crew and customers too!

May you all enjoy this moment and share in the celebration of excellence.

With utmost gratitude,
 Maria Scunziano-Singh, MD
 Pariksith Singh, MD

Congratulations to Our 2016 West Coast ACES Award Winners!!

The winners of the ACES awards are nominated by fellow team members. There are several categories and winners are chosen based on the information provided as to why an employee feels someone deserves such award rather than the number of votes for a particular individual. Every person who received at least one nomination was listed on a large board that was put on display at the banquet. The actual winners were individually called up to receive their awards while Juan Triana, the Master of Ceremonies, read aloud some of the wonderful comments written about the winners' hard work, spirit, teamwork, leadership, likeability and dedication. Not only did they receive recognition and a trophy, they also each received **8 HOURS OF PAID TIME OFF!!**
