A Special Pull Out Section of Accessing Access Access Celebrates Excellent Service

Pariksith Singh, MD and Maria Scunziano-Singh, MD, hosted our annual ACES (Access Celebrates Excellent Service) awards banquet to show their sincere appreciation for the entire Access team. With this year's Hawaiian Luau theme, our Treasure Coast offices celebrated their 7th annual event on December 13, 2018 at St. Lucie Trail Golf Club in Port St. Lucie and the West Coast had their 8th annual event on December 20, 2018 at the Silverthorn Country Club in Spring Hill.

The West Coast celebration began with everyone receiving a Hawaiian lei during check-in while listening to festive live music presented by Tony Miranda and his friend, Howard Tirado! Of course, the evening continued with mingling, taking pictures at the fun photo booth, and browsing the raffle prize tables while a slide show of employees played on a big screen up front. As dinner was being served, Dr. Singh and Dr. Maria gave inspirational talks about the accomplishments and growth of the past year with Access. Juan Triana, our Chief Compliance Officer, then led the ACES 2018 Awards Presentation announcing the Finalists and Winners in fifteen categories. Winners received a trophy, an award certificate and a special certificate good for eight hours of paid time off.

The evening finished with a boisterous raffle drawing with many excited winners walking away with prizes provided by several generous local merchants. Raffle prizes included a large variety of gift baskets as well as gift cards to Chili's, iTunes, Old Navy, Home Depot, Target, Best Buy, Panera Bread, Bonefish Grill, Outback Steakhouse, and more! Some of the top prizes were an Apple Watch, Bose Headphones, Samsonite luggage, a GoPro Hero 7, a Cuisinart Air Fryer, a Vitamix Blender, a Yeti Tundra cooler, an Executive office chair, Apple AirPods, and several coveted certificates good for four hours of paid time off. Congratulations to our four Grand Prize Winners – Dr. Stoyanov and Mark Leach each won a Generac Generator, Sara O'Bry won a Sony a7 III camera, and Holly Miklas won a Samsung 43" UHD TV!

The West Coast ACES had a fantastic turnout with over 400 employees in attendance! We hope everyone had a wonderful time and we are pleased to share some pictures and highlights from these events with our patients, families, friends and community.

Special thanks to the following local merchants for their generous prize donations: **Addome Bella Salon, AFJ Construction, All Florida Medical Supplies, Amish Country Store, Bayside Auto Works, Breakfast Station, Cotee River Brewing, E Sushi, Family Chiropractic, Florida Cracker Kitchen, GenerX Generators, Just Be Tan, Kirin China Grill, LA Studio, Paintoholics, Perfect Balance Wellness, Sir Speedy, Smart Buy Office Furniture, Spring Hill 8 Cinemas, Stage West Community Playhouse, Suncoast Electric, Sunrunner Automotive, Teal Plank Workshop, Tina Shuster Wreaths, Tri-County Locksmith, Universal Business Systems, and White Heron Tea & Gifts.**

A Message To Access Employees

From Dr. Pariksith Singh and Dr. Maria Scunziano-Singh

Warmest Greetings of the Season to a Wonderful Company – Access Health Care...

It is with great pleasure and honor that we are here with everyone to share a few moments of time, out of the office and hospital, for the sake of recognizing all of you who make a colossal difference to thousands of lives every day.

Motivation, discipline, and dedication to the cause of progress in life and all its facets is what we are about at Access. Not only do we have outstanding skills and talent in every scope in the company, but the strength and fortitude that goes along with it. Every day, we are both witnesses and players in some of the most challenging positions that call upon our emotions right along with our intellects. Trying to make the best decisions without harming ourselves or the lives in our hands takes a lot, and we may even fail. And yes, we have all been there.

What makes the difference is that at Access, we face whatever it is that presents itself and work at it until it is right for all. Every one of you has at least one role to take on in your line of work, and we know the time and energy on just one issue on a given day may feel like an eternity. On the other hand, you may have a totally gratifying moment or a day when time just flies. Wouldn't we love for the latter type every day?!

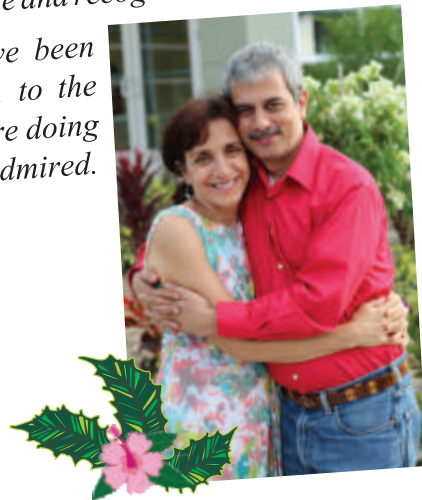

Let us all learn from the blunders and downers that make us ever stronger and wiser the next time around and thereafter. All those who have excelled and attained success have done this through the tough moments and even failure. It is for all of you who have embraced discipline or have taken the blows for the sake of making a positive difference that we come tonight to acknowledge and recognize.

Bravo and Congratulations to all of you who have been nominated for an award of Excellence in Service, to the recipients of those awards, and to ALL of you who are doing your best to keep the Access community always to be admired.

Have a Great Evening of Celebration!

With Sincerest Gratitude and Best Wishes,

DR. M & DR. P — 2018

Congratulations to Our 2018 West Coast ACES Award Winners!!

The winners of the ACES awards are nominated by fellow team members. There are several categories, and winners are chosen based on the nomination's story as to why an employee feels someone deserves such award rather than the number of votes for a particular individual. Every person who received at least one nomination was listed on a large board that was put on display at the banquet. The actual winners were individually called up to receive their awards while Juan Triana, the Master of Ceremonies, read aloud some of the wonderful comments written about the winners' hard work, spirit, teamwork, leadership, likeability and dedication. Not only did they receive recognition and a trophy, they also each received **8 HOURS OF PAID TIME OFF!!**
