A Special Pull Out Section of Accessing Access *Access Celebrates Excellent Service*

Pariksith Singh, MD and Maria Scunziano-Singh, MD, hosted our annual ACES (Access Celebrates Excellent Service) awards banquet to show their sincere appreciation for the entire Access team. With this year's "ACES in Wonderland theme", the West Coast held their 9th annual event on December 13th at Silverthorn Country Club in Spring Hill, and our Treasure Coast offices celebrated their 8th annual event on December 20th at Creative Catering in Port St. Lucie.

The West Coast celebration began with everyone listening to festive, live music presented by Tony Miranda while mingling with co-workers and friends, taking pictures at the fun photo booth, and browsing the raffle prize tables while a slideshow of employees played on a big screen up front. As dinner was being served, Dr. Singh and Dr. Maria gave inspirational talks about the accomplishments and growth of the past year with Access. Juan Triana, our Chief Compliance Officer, then led the ACES 2019 Awards Presentation by revealing the Finalists and Winners in fifteen categories. Winners received a trophy, an award certificate, and a special certificate good for eight hours of paid time off.

The evening finished with a boisterous raffle drawing with many excited winners walking away with prizes provided by several generous local merchants. Raffle prizes included a large variety of gift baskets as well as gift cards to Chili's, iTunes, Old Navy, Best Buy, Greek City Café, E-Sushi, Panera Bread, Outback Steakhouse, Target, and more! Some of the top prizes were an Apple iPad Air, Apple AirPods, Beats Wireless Headphones, a GoPro Hero 7, an iRobot Roomba 690, an Instant Pot Duo, a Fit Bit Versa, a Nest Learning Thermostat, a Trek Mountain Bike, a Canon EOS Rebel camera, a Sonos Playbar home sound system, and several coveted certificates good for four hours of paid time off. Also, congratulations to our Grand Prize Winner, Lauren Poulos, who won a LG 65" UHD TV!

The West Coast ACES had a fantastic turnout with over 400 Access Employees in attendance! We hope everyone had a wonderful time and we are pleased to share some pictures and highlights from these events with our patients, families, friends, and community.

In addition, we wish to extend our special thanks to the following local merchants for their generous prize donations for our raffle: **Addome Bella Salon, Aero Consulting, A&H Designs, Auro Community Garden, Bayside Auto Works, Escape Artist (Escape Room), E-Sushi, Family Chiropractic, Florida Cracker Kitchen, Greek City Café, Jomarie Goocher (Avon), Karma Spirits & Café, LA Studio, Papa Clyde's Ice Cream, Silverthorn Restaurant, Sir Speedy Printing, Stage West Community Playhouse, Teal Plank Workshop, Tina Shuster Wreaths, Universal Business Systems, and WellCome OM Integral Healing & Education Center.**

A Message To Access Employees

From Dr. Pariksith Singh and Dr. Maria Scunziano-Singh

Fix your course on a star and you'll navigate any storm.
~ Leonardo da Vinci

Warmest Greetings with best wishes for a beautiful, peaceful, and harmonious holiday season!

Welcome Everyone, to another moment in Access history when we stop to acknowledge and express special thanks to you who go the extra mile and make an impact that changes lives.

This past year has been, yet again, another triumph for our company with a healthy dose of new providers and staff on every front. The skill and talent that has emerged has been nothing short of remarkable. For all who have joined this colossal family, we welcome you to the team and wish you complete success in all your endeavors.

At the same time, let us not forget two precious veterans of Access who left this life for a place in the heavens: Diane Burkhardt-Mier and Traian Preda. Words cannot express how much we appreciate and miss these wonderful, dedicated people – Our eternal stars.

From stardust to stardom in your own right, you are all Ace players on the universal stage. Let us all be reminded that every component of the collective, galactical stars – including the thermonuclear fusions and other astronomical properties – resonates with us all. An individual's luminescence is a stunning property of many fields of this powerful energy. Yet, there are those who have an extra special magnetic charge that creates a very positive potential, i.e., you shine so brightly and render goodness to all.

Whether a star in the outer galaxy or one positioned right here, your mission is to light the way and steer the course. As an anonymous thinker wrote:

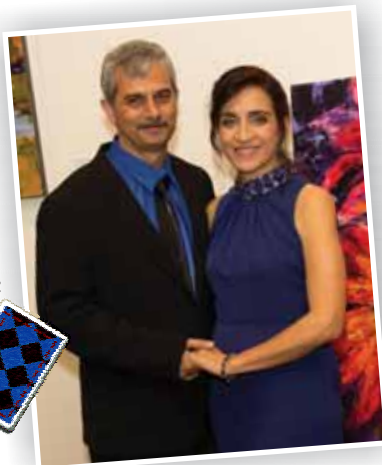

It all begins when the stars align.

To be an Ace in healthcare (as in life) means being truly conscious. Acts of selflessness and compassion while keeping oneself in balance, in health, and in sync, are what champions do. They cast out fear and indecisiveness in order to attain the best. A continuous pursuit of excellence for the cause of life improvements is the path these people take. Any failure is just another opportunity to leap toward progress. This is the journey of consciousness.

Today we honor and thank every one of our stars and, as part of the Access tradition, special recognition is given to those who have been voted by their peers and/or supervisors as outstanding in their roles. Do know that you who have made that extra special difference serve as leaders and role models for others to emulate.

May you all enjoy this moment as you celebrate each other. Keep the spirits high, and always remember that whatever you do will influence the world all around you!

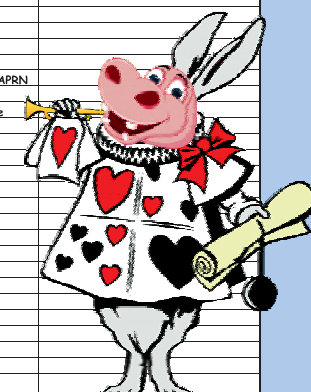

With Sincerest Gratitude to Everyone,
Drs. Maria Scunziano-Singh & Pariksith Singh

Congratulations to Our 2019 West Coast ACES Award Winners!!

The winners of the ACES awards are nominated by fellow team members. There are several categories, and winners are chosen based on the nomination's story as to why an employee feels someone deserves such award rather than the number of votes for a particular individual. Every person who received at least one nomination was listed on a large board that was put on display at the banquet. The actual winners were individually called up to receive their awards while Juan Triana, the Master of Ceremonies, read aloud some of the wonderful comments written about the winners' hard work, spirit, teamwork, leadership, likeability and dedication. Not only did they receive recognition and a trophy, they also each received **8 HOURS OF PAID TIME OFF!!**
